

Opening the Way Publishing Company  
Presents:

***“Your Trip of a Lifetime!”***

Greetings!

This is Lawrence of the Opening The Way Publishing Company. *“Your Trip of a Lifetime to visit the Ancient sites of Egypt (Kmt) Tour,”* is approximately one year away. On the tour we will visit the only remaining wonder of the world still standing, the Great Pyramid. But the Great Pyramid is not the only

site we will visit and is not the only wonder in the Land of the Pyramids. Most of the sites regularly featured on documentaries such as the **Valley of the Kings and Queens, the Temple of Amun at Luxor, the Step Pyramid, the Temple of Hathshepsut, Temple of Aset (Isis) the Temple of Abu Simbel and more** are included in this tour package. Upon arrival to each site you will quickly notice the engineering and mathematical brilliance displayed in the structures made of stone. Massive is the first word that comes to mind when attempting to describe the size and scale of each one. And even amid structures larger than any others anywhere else in the world you find within them an attention to detail that words cannot describe.

This shouldn't be surprising as Ancient Egypt/Kmt in its early history was the place to go for those who wanted to “Know Thyself.” Ancient Egypt/Kmt was the place to be for those who wanted to transform their mortal consciousness to spiritual consciousness.

In the pages that follow are the specific details about the tour. The dates of the tour, itinerary, pictures with the names of the two 5 and one 4 Star lodging hotels, meals included in the price and of course all-inclusive pricing details. Additionally, you will find a special pricing plan for those who act now to secure their space.<sup>1</sup> Finally, the Waiver, Cancellation Policy and Registration Form are provided.

Many questions you may have, if not all of them, will be answered in the enclosed pages that follow. For those of you without a roommate rest assured that we will find one for you. For those of you with special needs that we should be aware feel free to reach out to me at [lrmathews60@yahoo.com](mailto:lrmathews60@yahoo.com) or the phone number provided on the Registration Form.

We're looking forward to being a part of *“Your Trip of a Lifetime to Egypt (Kmt)!”*

Sincerely,

Lawrence Mathews  
President and CEO Opening The Way Publishing Company

## (Dua Pose)

The pose I am doing you will see often on the Temple reliefs that we will visit on the tour. Dua means adorations and when you see it on the reliefs it is being done to acknowledge the essence of a person that is beyond physicality.

This pose is depicted numerous times on the reliefs in most of the temples and often combined with making some sort of offering.

What was worthy of such adoration to the ancient Kamitan aka Egyptian people you may be wondering? That which is “**real.**”

That which is physical, or physicality is always in a state of deterioration. Hence it is always changing and does not stay the same. However, there is an “**essence**” that gives rise to physicality which *never* changes. It is the same today as it was yesterday and will be the same tomorrow. This “**essence**” is infinite and transcendental. It is this “**essence**” that the people of ancient Africa considered to be “**real.**” It is this “**essence**” that they continuously gave reverence to through the Dua pose.

Lawrence Mathews (Anpu Waset), has studied the culture and philosophy (the “Mysteries”) of the ancient native peoples of the land called Kamit/Kmt (Egypt) by its inhabitants for the past 15 years under the guidance of Dr. Muata Ashby. Dr. Ashby is the author of over 70 books on the culture, philosophy, spirituality, and religion (the “Mysteries”) of the ancient people of the land. Lawrence (Anpu) during this time through his Opening The Way Publishing Company, created the “Inspirational Philosophy” genre of writing and has published the following books:

- “Aspirants Guide to Practicing the Egyptian Mysteries”
- “A Black Man, My Point of View”
- “A Better Way”
- “You Are Responsible for Your Life”
- “15 Questions Teens Would Like to Ask Their Parents But Don’t”

Inspirational philosophy applies ancient philosophical principles to common situations of today in an inspirational way.

Additionally, Lawrence (Anpu) has published the following Special Mini-Reports:

- “Overcome Stress from Harmful Emotional States”
- “Practice Makes Perfect”
- “Eliminate Emotional Heartache and Pain in 20 Minutes”
- “Happiness Is”

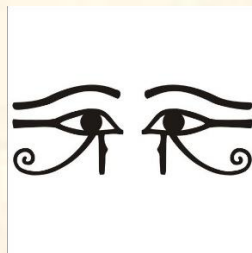

Finally, he has created a three and six month “Know Thyself” e-course designed to provide one assistance with awakening to aspects of their personality currently believed to be “**real**” but is instead changeable. Beliefs that fetter and condition the personality while leading it to believe it’s free.

In the earlier time of his life he was an educator for ten years, a professional manager for five years and practiced law for ten years. As an attorney, he has practiced and made oral argument before the Michigan Supreme Court, practiced and made oral argument before the Michigan Court of Appeals and practiced before the United States District Courts for both the Eastern and Western Districts of Michigan.

He believes that the purpose of life is to “Know Thyself” at the deepest level of our being by *awakening* to the answer of the question “Who Am I?” His products and programs assist others with achieving this purpose.

**“The secrets of the universe cannot be discovered through study and research alone but the honest search for truth and the development of an incorruptible mind qualifies the seeker for higher instruction.”**

**“Make your life the subject of intense inquiry, in this way you will discover its goal, direction and destiny.”**

**-Ancient African Egyptian Proverbs**
